

PRIVACY POLICY

Beacon Cloud Voice powered by CTS has created this statement in order to communicate our firm commitment to privacy. We have taken the proper measures to ensure that your shopping experience with us is safe, secure and enjoyable. This statement details our information gathering and sharing practices for Beacon Cloud Voice powered by CTS.

This Privacy & Security statement is subject to change without notice. We encourage you to review our Privacy and Security statement whenever you use this web site to make sure you understand how your information will be used.

Information We Collect and How We Use It

When you place an order with us, we will collect your name, e-mail address, shipping address, credit card number and credit card expiration date. This information allows us to process your order and contact you if necessary. All of your information is stored on a secured server. If you do not wish to register your credit card number online, you do have the option to place your order over the phone by calling Beacon Cloud Voice powered by CTS at 410-850-4848.

Information about your activity on the site is automatically collected when you sign in. We monitor our site traffic patterns and site usage in order to evaluate and improve the layout and design of our site.

Information Disclosure

When you place an order with us, we share your information with our vendors, suppliers, and distributors in order to fulfill your orders. We do not sell or rent any of your personally identifiable information with anyone outside of Beacon Cloud Voice powered by CTS.

We may provide your information as required by law or legal process; to protect and defend the rights of Beacon Cloud Voice powered by CTS or the users and, and under circumstances we believe reasonably necessary to protect the personal safety of users of Beacon Cloud Voice powered by CTS, this site or the public.

Links to External Sites

Our site may contain links to other sites on the Internet that are not under our control. Beacon Cloud Voice powered by CTS is not responsible for the privacy practices or the content of such Web sites. See our Legal Notices.

Cookies

A cookie is a small piece of information that many Web sites use to help make shopping online easier. The information is stored on your computer's hard drive. It lets you shop our site, place items in your shopping cart and return without having to reenter the information.
